EVENT SPACE

*Private booking package*

## *About us*

We offer a diversity of customizable options to book a private event. The Refinery is the perfect fit for a wide range of functions from 20 to 75 people. From corporate functions, staff parties, engagement parties, birthdays to presentations.

This unique and exclusive second level event location features beautiful decor, elegant lighting, and an 18ft full-service bar. The Refinery is nestled in the heart of downtown, but tucked a little out of the way of the hustle and bustle of the Granville Entertainment District. We are upstairs at 1115 Granville Street, between Helmcken and Davie. We are conveniently located within walking distance to many movie theatres, concert halls, and sports stadiums which makes us a great venue for food and drinks before or after the show.

# *The food*

The Refinery event space and cocktail lounge focuses on fresh, local and wild ingredients with a focus on Mediterranean inspired canapés.

Our menu uses local product whenever available to help reduce our carbon footprint, while also ensuring marine sustainability by adhering to the OceanWise Program. To further our sustainable efforts, the kitchen and bar work closely together and share extra ingredients, so that they can be used in the accoutrements for our charcuterie board, as well as the bitters, tinctures and preserves used in our cocktails. All events at the Refinery must have a food element as required by our Food Primary License.

## *Choose from:*
